Steve, I will with my pleasure translate it for you! But you should know that if you would like to have any communication with them they unlikely speak English and you will need a Russian translator. I am so sorry!!! I can help you in that if you want. Let me know if you need my help and what exactly do you want from them. I will try to do my best!

Maria,

I really don't read Russian and I'm too old to start. So if this is the way it is going to be we are not really interested.

Thanks,
Steve
